The Rector Writes

Hello, from your new Rector, I am delighted to be joining you all. It is always hard to know how to describe myself, but here goes. I am married to Neil, with two adult children, Kathryn married to Luke and Aidan (AJ). I was born and brought up in Greater Manchester with my triplet older brothers. I trained as a doctor in London, before continuing my medical career around Manchester and then Yorkshire. I specialised in Palliative Medicine, the care of people with life-limiting illnesses, initially in Halifax and then on the Fylde Coast.

So, what is my vision of St Cuthbert's? For me it is a space where all are welcome and where the love of God is encountered in ways that are relevant and transforming for everyone. It is not just about a building, rather it is about a group of Christians building community wherever we find ourselves. A community that is alive and full of hope, despite the pressures around them, whether at the kitchen table, the local pub or the parish church.

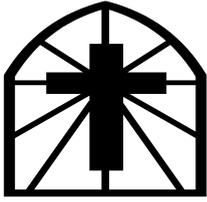

Lee Ann Wormack, an American country music singer and song writer wrote these lyrics which capture a little of my vision.

I hope you never lose your sense of wonder
You get your fill to eat but always keep that hunger
May you never take one single breath for granted
God forbid love ever leave you empty handed
I hope you still feel small when you stand beside the ocean
Whenever one door closes, I hope one more opens
Promise me that you'll give faith a fighting chance
And when you get the choice to sit it out or dance.....

I am no dancer as those who come and see me lead worship will quickly realise, but I hope we can all join in the dance of faith and enjoy learning together just how much we are loved by God.

Please come and introduce yourself when you see me around. Please forgive me if I do not initially remember your name or where you belong. But I look forward to getting to know you and learning all your amazing stories. I have much to learn from each of you.

I run a jigsaw club from my home in Scarisbrick. I have over 200 jigsaws available to lend out which has proved very popular during lockdown. I read that the virus can stay on cardboard for 24 hours so all jigsaws are quarantined for 72 hours before being lent out. Being close to the Morris Dancers, I am well positioned for people to swap jigsaws on their journey to/from hospitals/shops.

Its free to join and free to borrow. We just ask for a donation of a jigsaw then you can borrow and return as many jigsaws as often as you like. I have done over 60 jigsaws since lockdown began so it has saved many of us a lot of money. I have attached the link below.

If anyone has any jigsaws they could donate,
I will happily collect. Thank you.

HALSALL HOBBIES

Everyone has hobbies from Astronomy to Zoology so tell us about your hobby. Write an article for Halsall News and you might connect with a fellow hobbyist in our community or you could help someone local get started in your hobby.

RIDE-ON GARDEN RAILWAYS

So I have tell you about one of my hobbies as an example.

My Ride-On Garden Railway, for the grandchildren, but all the adults usually want to drive the train too. A 5-inch wide ground level track, 1/12th scale. In most parks the track is either elevated on stilts and/or uses wider 7.25 inch gauge for fee-paying passengers.

Steam locomotives use real coal-fired steam. Diesel models use car batteries with electric wheelchair motors which are more accessible and affordable. You only need one loco and coach or so I tell my wife, so it is not a more expensive than a large indoor model railway. I am building wagon kits and I would like a radio controlled model that I can set running around the track while I mow the lawn. You can build them

yourself, buy kits or complete models from specialist suppliers.

Southport Model Engineering Club has a track in Victoria Park and one day I will get a trailer to take my models down there for a longer run. There are other Clubs in neighbouring towns that have open days for visitors too. My track is a oval which fits in about 60x45 feet but it could fit in a smaller garden. I enjoy the civil engineering, building the railway and integrating it with the garden. Happy to help anyone thinking of building a railway. Anyone local have an interest in engineering with a small lathe in their workshop, I need small part making for a turntable ?

NEWS FROM YOUR PARISH COUNCIL

Planning

2022/1266/FUL Meridien Cottage, 10 Halsall Lane, Halsall. Single Storey Extension.

2022/1324/FUL Erection of convenience store with associated access, car park and landscaping at Junction of Moss Road and Bentham's Way, Halsall. Applicant is James Hall and Co Ltd. Decision level – delegated to the Corporate Director of Place and community for determination unless a Member requests consideration by Planning Committee.

Report from Halsall Parish Council -Traffic & Road Safety Working Group

LCC Highways have responded via Andy Pratt, Deputy PCC, with the results of the detailed traffic analysis on Gorsuch Lane. As suggested by Sat Nav analysis there is no significant speeding problem on Gorsuch Lane. 85% of recorded speeds are below the speed limit.

Still waiting for further information from an FOI request from Lancashire Police on details of collisions. It is thought that collisions are the result of confusion over priorities at the junction rather than speed.

A further meeting with Andy Pratt and LCC Highways is scheduled for 1st February. There will be a Working Group pre-meeting arranged for last week in January.

More work to be done on creating a list of options for solar powered SPIDs for the next council meeting.

CLlr Kim Pyne, Lead Member of Halsall Parish Council Traffic and Road Safety Working Group.

News about our Staff and Councillors

Halsall Parish Clerk, Dave Bond has resigned and we extend our best wishes to him for the future. The Chair has stood in as Acting Parish Clerk for some weeks and at the Halsall Parish Council meeting on 11th January 2023, the Council was delighted to welcome Chris Pyne, the Halsall War Memorial Trust Secretary, as the acting Parish Clerk until a permanent replacement is found.

Councillor Brian Young has resigned and Councillor Dave Corfield has given notice that he is resigning at the end of February. We are extremely grateful and appreciative of their long and valuable voluntary service. We wish them both the very best of health and hope they enjoy their retirement.

In the vacancy created by Cllr Young's resignation, Halsall Parish Council co-opted Cllr Noel McCarthy-Thomason and we welcome him to our team.

Flooding

Reports of road run-off flooding received due to heavy rainfall. Cllr. Timon will speak to LCC engineers regarding drain cleaning at these locations. Cllr Wright(s) reported that the New Cut Lane area drainage was much improved, due to the works carried out by Lancashire County Council, as large sections of road drains under New Cut Lane were replaced.

Parish Council Meetings

The next Parish Council Meeting will take place on Wednesday 8th February 2023 at the Memorial Hall, Halsall Road, Halsall at 7.30 p.m.

A list of Councillors and contact numbers are at front of the magazine.

NOW IN HALSALL

Gardener`s Corner

February at-a-glance.

The first signs of spring are starting to appear if you don't mind going out to look for them! February is a subtle month with catkins and the first bulbs cautiously pushing their heads above the wintery earth, while keen gardeners desperately look for some real gardening to do. Happy gardening.

General Garden Tasks

Make new beds and borders

Finish off winter digging

Order plug plants

Prune certain types of clematis – refer to a good gardening book for exact advice

Renewal – prune old shrubs, deciduous hedges and climbers

Brush snow off conifers, large evergreens and hedges to avoid splaying or breaking

Move deciduous trees and shrubs (ideally do this in November or early March)

Plant lily-of-the-valley crowns

Keep deadheading any winter flowering pansies or polyanthus in tubs and hanging baskets

Water and top-dress plants in year-round tubs and container grown herbs

Prepare soil ready for sowing, covering it with polythene sheeting to warm it up for early vegetables

Plan shallots and Jerusalem artichokes.

Prune autumn-fruiting raspberries now, and plant new canes between now and mid-march

Protect strawberries with horticultural fleece

Finish winter-pruning standard apple and pear trees

Ventilate the greenhouse at every opportunity, but water as little as you can get away with

Pot up stored dahlia tubers and lily bulbs

Spray fuchsias with water on fine days to start them back into growth

Chit potatoes if you didn't get chance last month

Take precautions to make sure your pond never freezes over entirely

Get-a-head

Prepare the greenhouse before the season gets fully underway –clean water storage barrels, watering cans, pots and seed trays, propagator and greenhouse glass.

Plants in their Prime

Hellebores, Hamamelis, Viburnum, Mahonia japonica, Sarcococca, Skimmia japonica `Rubella, Clematis `Freckles`, Jasmine, winter- flowering pansies, Saxifraga apiculata, Daphne mezereum, Abeliophyllum distichum (white forsythia), Sempervivums

Bulbs – Iris reticulata, Crocus, Narcissus (varieties) scilla, Anemone blanda
