Dear Friends,

First of all thank you, to all of you for making me feel so welcome over the last few weeks as I begin in my new role in the parish. Thank you to those of you who have offered words of encouragement and thank you for your prayers. It has been a wonderful beginning to a new journey and I'm looking forward to the road ahead with excitement and enthusiasm! I am aware that the process of appointing self-supporting ministers is not as gradual or as informed as it is for incumbents and I am very grateful to all of you for the opportunity to share in the life of the parish. I look forward to meeting and getting to know everyone more.

As you might well imagine, starting in a new parish leads me to ask (of you) some of the same questions that you might have of me. Wondering what the parish might be like led me to think about what it might be like to be a community dedicated to St. Cuthbert?

St. Cuthbert was a mystic (he saw visions) who lived in the 7th century in the North of England and South Scotland and he is often seen as the patron saint of the North. Rather than being imported from the continent with the Romans like Augustine, or from Ireland or Iona Cuthbert was 'home-grown'. One of us, he grew up as a farmer in the North of England (Northumberland) in the early 7th century. It is perhaps during his youth he developed his great affinity with animals much like St. Francis. His home-grown status seems very much in-tune with our Bishop's vision of growing leaders for the church from within existing church communities, and it is perhaps that quality that enabled him to become so popular and so good at reconciliation.

St. Cuthbert lived in a time of great change in the church as different traditions (Irish and Roman) tried to assert themselves. He apparently was able to balance the traditions minimising contention and keeping the community united. He had a reputation for great piety holiness and learning, but was first recognised for his people skills and he was first put to work as guest master of the monastery. He spent most of his time among the people, travelling all over the North of England and Southern Scotland, ministering to their needs, carrying out missionary journeys, preaching, and performing miracles (largely healing the sick). Perhaps working these 'wonders' for which Cuthbert became widely known, is beyond the call of many of us but building community and looking after each other's needs is something we could all emulate and indeed are all called to do.

The warmth and charm of Cuthbert's welcome was his first gift and welcoming visitors is something that all church communities need to do well. Flowing from his concern for those around him, on top of his warm welcome, Cuthbert had a reputation for generosity to the poor, living a simple life himself enabled him to give generously to those around him. This kind of self-giving love, what might be known as 'caritas' or charity forms in the heart of us all when love God with all our heart and mind.

Continued overleaf

In later life St. Cuthbert seems to have been called to a life of prayer and austerity and people travel to see him for wise council. Prayer of course should be at the centre of the life of all Christians turning our thoughts and hearts towards God. Eventually he retired to what is now known as Holy Island (now a bird sanctuary) where he became known for his rapport with animals.

Cuthbert's mortal remains (legend has it) remained uncorrupted for many years following his death and remain at Durham cathedral, which is well worth a visit if you get the chance.

St. Paul, in his letter to the Corinthians reminds us of our human tendency towards social climbing as the Corinthians debate whether it's better to be followers of Apollos or Paul, so perhaps we shouldn't read too much into what it means to be a follower of St. Cuthbert. But Cuthbert does give us a wonderful challenge to be warm with our welcome, generous with our giving and concerned with the needs of those around us.

Yours in Christ, Alex

Remembrance Day

Lest We Forget

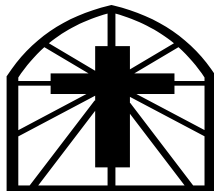

The 11th hour on the 11th day of the 11th month

This year we mark the centenary of the end of World War 1. On Remembrance Sunday 11 November 2018, people around the Commonwealth will be reflecting on the lives that were changed irrevocably, and those that were lost.

Some 65 million men were mobilised across Europe during World War 1. Nearly a third of them – some 21 million – were wounded. Another 8.5 million were killed and some 7.7 million were taken prisoners of war. All of them had family and friends whose lives were changed forever by the events of 1914-1918.

This year gives us the chance to remember, but also to pray and work for peace, looking forward with hope.

WEST LANCASHIRE LOCAL PLAN REVIEW 2012-2050 HAVE YOUR SAY!

The Borough Council are consulting on the “Preferred Options” for the new Local Plan up to Thursday 13th December 2018. The documents are available online, in libraries and at the Council Offices. The link to the documents from the previous stages and the Consultation can be viewed online here:

<https://westlancs.gov.uk/lpr>

The Government now requires local Planning Authorities to conduct a review every 5 years to ensure that it is up to date. It is important that Halsall residents get involved in this consultation. Please don't miss this opportunity to take part and express your views.

The Great War

George Charles, Lance Corporal, Kings Liverpool Regiment, 14783

George was a Halsall lad through and through, the son of John and Mary Charles. He lived in Station Road in Barton and worked on the Cheshire lines railway starting work at the age of 14. He enlisted in 1914 and was attached to the 12th Battalion of the Kings Liverpool Regiment. He finished training on Salisbury plain in July 1915 and was sent on board a ship from Dover to Calais where he took part in trench familiarisation at Fleurbaix.

It wasn't long before he was plunged into action and was involved in the Battle of Mount Sorrel alongside the Canadians. Then the battalion were engaged at the Somme in Delville wood. They moved on seeing action at the battles in Flers-Courcelette, Morval, Le Transloy, Langemarck and the Cambrai operations which was a massive engagement using tanks and heavy artillery. (It is interesting to note that George's experiences were similar to those of Edmund Orritt and other lads from the Halsall area). We do not know if George got any leave to return home after such intense fighting but we do know that he sustained injuries possibly in the Cambrai campaign in November 1917 which led to him being taken back to Dover.

His parents visited him there in the hospital before he died at the age of 28 on the 21st December 1917. His body was brought back to Halsall and he was buried with full military honours in St Cuthbert's churchyard where now he rests with his family close to the main path on the north side of the church. Lance Corporal George Charles was a war hero and the great uncle of Elaine Ayre, Martin and Philip Banks.

November Update

Admissions

All admission applications for a reception place in September 2019 should be completed online via the Lancashire or Sefton website. The deadline for applications is January 15th 2019. Parents who fulfil Admissions Criteria 3 or 4 concerning "Church Worship and Attendance", should complete a supplementary Faith form (Clergy Reference Form). This can be accessed through either the authority website or directly through school.

Anyone wishing to take a tour of the school and its facilities, is encouraged to contact the head as soon as possible on 01704-840253.

Premises

The Activity Trail repairs have now been completed and the children are enjoying using it every day. (when it's their turn!) This is an absolutely fabulous resource to help them build up their upper body strength, agility and flexibility, their spatial awareness, hand-eye co-ordination, balance, core strength, team-work skills and self-confidence.

Standards

As previously reported, the children performed superbly last year and the results were immense. We are so proud that our overall attainment is not only significantly above the National Average, but our attainment at a "Greater Depth" is also significantly above the National Average.

These results are a clear indication that we provide not only effective support for all children, but also robust challenge for the more-able and we set our expectations high. (see below)

Christmas Shows

Last year we raised over £2,200 for The Christmas Foundation. What a brilliant effort. This year we shall be raising money for the NSPCC and a children's cancer charity. (yet to be decided by the school council)

In December, we'll have shows on :

Tuesday 11 th	10-00am	Cinderella
Wednesday 12 th	2-00pm	Cinderella
Thursday 13 th	7-30pm	Cinderella
Friday 14 th	9-30am	Reception Nativity

Members of the local community are very welcome to come along to the Tuesday morning performance. Tickets will be available soon, all priced at £4. Many thanks.

Harvest Service

Many thanks to everyone who supported the children at the Harvest Service at St Cuthbert's Church in early October. They certainly sang a few lively songs and it was lovely to see them worshipping, full of confidence and enjoying the occasion. A special thanks to everyone who donated food, those who helped distribute everything to people in need and to those who helped decorate the church so well. It looked beautiful.

Alzheimer's Society

We held a Coffee and Cake afternoon at school in early October. We wanted to raise money to support those who suffer from dementia. Nearly everyone knows someone who is struggling in this way. It was a big success and we raised more than £200. Many thanks to all those who donated or baked cakes, to those who helped organise the event and to everyone who came along to support. (there were some gorgeous home-made cakes) Yummy.

PTFA

The PTFA continues to raise valuable funds to support the children's education at Halsall St Cuthbert's. To support our school trips to the zoo and safari parks, stately homes, the airport, the beach, museums, the cinema, castles etc, the PTFA pledges £25 per child per year. This often enables teachers to organise 2 trips through the year and not have to ask for parental contributions. This is a well appreciated and wonderful gesture.

Please support the biggest fundraising events of the year, the Bonfire and Fireworks Night. It's on Monday 5th November. All profits will go to further enhance the children's education at Halsall C.E.

Gardener`s Corner

November at-a-glance

Once the autumn leaves have fallen, evergreen shrubs really come into their own. They give the garden year-round backbone and some are very striking, in shades of gold, reds, bronze or blues, as well as plain green or various variegated patterns, late berries, craggy tree trunks and coloured stems of trees and shrubs – who said winter was dull. Happy gardening.

General garden tasks

Carry out winter digging of forking over.

Check over the garden for anything that's likely to be at risk from frost

Continue cutting the grass if conditions allow, but raise the blades,

Collect up dead leaves from the lawn & make leaf mould & potting compost

Lay turf if you didn't last month

Plant & move bare-root trees & shrubs

Stake well any newly planted trees

Sow seeds of hardy shrubs & trees

Plant tulips this month

Dig up dahlia tubers once the plants start to die off after the first frosts

Protect container plants from the cold, wet & windy weather

Continue harvesting leeks & Brussels sprouts.

Plant fruit trees

Ventilate the greenhouse on warm days but reduce watering

Check stored fruit & vegetables

Grow windowsill & salad herbs

Do your autumn pond clear-out if you didn't get round to it last month

Clean pool filters & check cables for pumps & lights

Watch out for

Snails in crevices around the garden

Mice in sheds & greenhouses especially where there is stored fruit

Pigeons pinching your winter greens

Squirrels digging up your bulbs

Windy weather disturbing tree stakes chaffing the bark.

Get ahead

Think about any garden designing & alterations you'd like to do over the winter months

Give the lawn mower a maintenance check now or over the winter

Start winter pruning

Mulch fruit trees

Plants in their prime

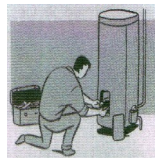

Viburnum. Ornamental cabbages. winter flowering pansies. Potted topiary. gaultheria.

Skimmia. Clematis 'freckles'. Mahonia. Euonymus. Pyracantha. Winter jasmine.
